A Recipe for Nazi Germany

Ingredients:

- $\frac{1}{8}$ cup colonialism
- $\frac{1}{2}$ cup militarism
- 1 assassination of Franz Ferdinand
- 3 quarts of Ignorance
- 6 cups lack of questioning the majority
- 3 cups arrogance
- 2 sets of alliances
- 1 Treaty of Versailles
- 2 quarts of Nationalism
- $1\frac{1}{2}$ quarts dogma
- 1 quart propaganda
- 4 cups economic depression

Procedure:

combine colonialism, militarism, 2 ^{sets of} alliances, and $\frac{1}{2}$ qt. of Nationalism to get Tensions in Europe. Mix Tensions in Europe w/ assassination of Franz Ferdinand to get WWI. Cook WWI at 350°F for 3 years to get Treaty of Versailles. Let Treaty of Versailles cool for 10 years ~~to~~ and combine w/ desperation of war to get 1 Need for a Scapegoat. In a separate bowl combine dogma, arrogance, ignorance, propaganda, economic depression and remaining Nationalism to get Anti-Semitism.

Combine 1 Need for a Scapegoat and Anti-Semitism and bake for 4 years at 450°F to get Nazi Occupation. Let cool to get the Final Solution.
